

Tests and Diplomas

DELF-DALF

DELF (Diplôme d'études en langue française) and **DALF (Diplôme approfondi de langue française)** are official qualifications awarded by the French Ministry of Education (Centre international d'études pédagogiques, CIEP) to certify French language competence of candidates from outside of France. For each of the six diplomas (A1, A2, B1, B2, C1, and C2), four skills are evaluated: listening, speaking, reading, and writing. **Alliance Française is the only test centre in Bangladesh for all DELF-DALF examinations.**

TCF AND TEF

TCF (Test de connaissance du français) is a test conducted by the French Ministry of Education (CIEP) to determine French-speaking level of non-French speakers. Each TCF candidate receives a certificate endorsing him/her on one of the six levels of the proficiency scale (A1, A2, B1, B2, C1, and C2) defined by the Council of Europe.

TEF (Test d'évaluation du français), awarded by the French Chamber of Commerce and Industry (Chambre de commerce et d'industrie de Paris Île-de-France, CCIP), is a test to assess French language competence for non-native speakers. It is especially useful for immigration to Canada, getting admission in French universities or for professional purposes.

Alliance Française de Dhaka is the only official centre in Bangladesh for TCF, TCF Québec, TCF-ANF, TEF, TEF Canada, TEFaQ, etc.
