Alliance Française has developed an online offer combining the videoconferencing application Zoom and specialised digital resources. Our qualified and dynamic teachers help learners improve
their French speaking, listening, reading, and writing skills online, build their confidence and achieve their goals.

NB: In addition to the online classes (Zoom video conferencing application and digital resources from Hachette, Didier, Clé, etc.) AFD uses specialised textbooks and exercise books as teaching materials.

- You only need an internet connection and a computer with a webcam (recommended option) or a smartphone.

- A limited number of seats! Confirm your pre-registration with your NSU coordinator by Thursday, 15 December 2022.

- Once registration and payment are completed. NSU will communicate to AFD the names of the students eligible for a scholarship (50% off tuition, conditions apply). AFD will then issue a refund check to the scholarship recipients. For details, please get in touch with Mr Joynal Abedin (see contact details above).
